a. If it is determined that the Class 2 Secured Claims are Allowed and that the Liens held by First Security on behalf of such Holders are valid, perfected and unavoidable, then Holders of Subordinate Debentures shall hold Allowed Class 5 Claims and receive their *pro rata* share of 2011 Subordinate Debentures in the principal face amount of \$7,610,000. The Holders of 2011 Subordinate Debentures will receive quarterly payments, in an amount equal to the Debenture Funds available for distribution to the Holders of such Claims in each particular quarter, payable as of the last day of each calendar quarter and commencing as of the last day of the first calendar quarter, commencing on the eleventh (11th) anniversary of the date of issuance of the 2011 Subordinate Debentures and shall be paid in full no later than the fifteenth (15th) anniversary of the date of issuance of the 2011 Subordinate Debentures; provided, however, that such Holders may receive earlier or different payments in accordance with Section 7.3.c upon repayment of the Class 1 Secured Claim and/or the Class 2 Secured Claims or as otherwise provided for in the Debenture Retirement Program. Under this scenario, the 2011 Subordinate Debentures shall be issued simultaneously with the issuance of the 2011 Senior Debentures in full satisfaction, discharge and release of all Allowed Class 5 Claims.

b. If it is determined that the Class 2 Claims are Disallowed and that the Liens held by First Security on behalf of such Holders are invalid, unperfected and/or otherwise avoidable, then all Holders of 2009 Debentures shall hold Allowed Class 5 Claims and receive their *pro rata* share of 2011 Subordinate Debentures in the principal amount of \$33,565,000 in full satisfaction, discharge and release of all Claims arising from or under the 2009 Debentures, the 2009 Indenture and said Allowed Class 5 Claims. In this case, the 2011 Subordinate Debentures shall be issued within sixty (60) days after the date that the order finally resolving the Lien Adversary becomes a Final Order. The Holders of 2011 Subordinate Debentures will receive quarterly payments until satisfied and retired, payable as of the last day of each calendar quarter and commencing as of the last day of the calendar quarter that is sixty (60) days after the date on which the Lien Adversary is resolved, in an amount equal to the Debenture Funds available for the particular quarter; provided, however, that such Holders may receive earlier or different payments in accordance with Section 7.4 upon repayment of the Class 1 Secured Claim or as otherwise provided for in the Debenture Retirement Program.

**Impairment.** Class 5 is Impaired and entitled to vote on the Plan.

5.6. *Class 6: Octane Claims*

**Treatment.** Class 6 consists of the Allowed Unsecured Claims of Octane. On the Effective Date, the Holders of such Claims will be deemed to have contributed the full amount of their Class 6 Claims to the capital of O&G and receive the newly issued membership interests in O&G, and such distribution shall be in full satisfaction and release of said Allowed Class 6 Claims.

**Impairment.** Class 6 is Impaired and entitled to vote on the Plan.

5.7. *Class 7: Unsecured Deficiency Claims*

If after final resolution of the Lien Adversary it is determined that the Class 2 Senior Debentures Secured Claims are Allowed Claims, and therefore Class 5 Claims will receive the treatment provided under Section 5.5.a. of this Plan, all Unsecured Deficiency Claims shall constitute Class 7 Claims.

**Treatment.** Holders of Class 7 Claims shall receive no distribution or payment under the Plan on account of such Claims.

**Impairment.** Class 7 is Impaired and conclusively presumed to reject the Plan.

5.8. *Class 8: Interests*

**Treatment.** The Interest in O&G will be cancelled on the Effective Date, and the Holder of such Interests will receive nothing on account of its Class 8 Interest.

**Impairment.** Class 8 is impaired and conclusively presumed to reject the Plan.

**ARTICLE 6.**  
**Means for Implementation of Plan**

6.1. *Substantive Consolidation*

On the Effective Date, the estates of the Debtors will be substantively consolidated for all purposes with respect to solicitation, voting, confirmation, implementation, execution of and making distributions under this Plan, and the Confirmation Order shall constitute an order entered pursuant to § 105 of the Bankruptcy Code approving such substantive consolidation. On the Effective Date, all assets and liabilities of the Debtors shall be treated as merged, all guaranty obligations of either Debtor of any obligation of the other will be eliminated, and all Claims filed against either Debtor shall be deemed filed against the single consolidated estate of the Debtors for all purposes relating to this Plan and to satisfaction of the Claims of Classes 1 through 7.

6.2. *Corporate Existence and Vesting of Assets*

Each of the Debtors will, as the Reorganized Debtors, continue to exist after the Effective Date, with all the powers of a limited liability company organized under the laws of the State of Mississippi and without prejudice to any right to alter or terminate such existence (whether by merger, dissolution or otherwise) under applicable state law. Except as otherwise provided herein, as of the Effective Date, all assets and property of the Debtors' estates, and all property acquired by the Debtors or Reorganized Debtors under the Plan, shall vest in the Reorganized Debtors, free and clear of all Liens, Claims and Interests except for those expressly provided for under this Plan. The Holder of any Liens cancelled and discharged pursuant to this Plan shall cancel of record such Liens on, or within a reasonable time after,

the Effective Date, failing in which the Debtors shall be authorized to effect such cancellations of record. On and after the Effective Date, the Reorganized Debtors may operate their businesses and may use, acquire and dispose of property and compromise or settle any Claims without supervision of or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan or the Confirmation Order. Without limiting the foregoing, the Reorganized Debtors may pay the charges that it incurs on or after the Effective Date for Professionals' fees, disbursements, expenses or related support services (including fees relating to the preparation of Final Fee Applications) without application to the Bankruptcy Court.

#### 6.3. *Corporate Action*

The entry of the Confirmation Order shall constitute authorization for the Debtors to take or cause to be taken all corporate actions necessary or appropriate to implement all provisions of, and to consummate, the Plan and the transactions contemplated in the Plan prior to, on and after the Effective Date and, except as expressly provided herein, all such actions taken or caused to be taken shall be deemed to have been authorized and approved by the Bankruptcy Court without further approval, act or action under any applicable law, order, rule or regulation, including without limitation, any action required by the members or managers of the Debtors, including, among other things, (a) the adoption of new organizational documents for any Debtor, (b) the election and/or appointment of new officers and/or managers, (c) the termination and cancellation of any outstanding instrument, document or agreement evidencing Claims or Interests in the Debtors, (d) all transfers of assets that are to occur pursuant to the Plan, (e) the incurrence of all obligations contemplated by the Plan and the making of all Plan distributions, (f) the implementation of all settlements and compromises as set forth in or contemplated by the Plan, (g) entering into any and all transactions, contracts, or arrangements permitted by applicable law, order, rule or regulation, and (h) any other action consistent with the terms of the Plan. The manager and officers of the Debtors are authorized and empowered to do all things and to execute and deliver all agreements, documents, instruments, notices and certificates as are contemplated by the Plan and to take all necessary action required in connection therewith, in the name of and on behalf of the Debtors and Reorganized Debtors.

#### 6.4. *Corporate Restructuring*

On or as of the Effective Date, the Debtors will perform or cause to occur the following corporate restructuring actions and transactions.

6.4.1. Restructuring Transactions Generally. On, as of or after the Effective Date, the Debtors or Reorganized Debtors may enter into restructuring transactions and may take such actions as the Debtors or Reorganized Debtors may determine to be necessary or appropriate to effect a corporate restructuring of their respective businesses or simplify the overall corporate structure of the Reorganized Debtors, to the extent not inconsistent with any other terms of the Plan. Such restructuring transactions may include one or more mergers, consolidations, restructurings, dispositions, liquidations or dissolutions, as may be determined by the Debtors or the Reorganized Debtors to be necessary or appropriate without further order of the Bankruptcy Court. The actions to effect these transactions may include, but shall not be limited to: (a) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, disposition, liquidation or dissolution containing terms that are consistent with the terms of the Plan and that satisfy the requirements of applicable state law and such other terms to which the applicable parties may agree; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, duty or obligation on terms consistent with the terms of the Plan and having such other terms to which the applicable entities may agree; (c) the filing of appropriate certificates or articles of merger, consolidation, dissolution or change in corporate form pursuant to applicable state law; and (d) the taking of all other

actions that the applicable parties determine to be necessary or appropriate, including making filings or recordings that may be required by applicable state law in connection with such transactions.

**6.4.2. Issuance of Membership Interest.** On the Effective Date, the Reorganized Debtors shall issue and deliver to Octane all membership interests in O&G, *pro rata*, in full and complete satisfaction of the Class 6 Claims. Performance will initially remain a wholly-owned subsidiary of O&G.

**6.4.3. Obligations of Any Successor Entity in a Restructuring or Other Transaction.** In no case shall a restructuring transaction or any other restructuring relieve the Reorganized Debtors or any successor to the Reorganized Debtors from performing the obligations of the Debtors or the Reorganized Debtors pursuant to the Plan including, without limitation, to pay or otherwise satisfy the Allowed Claims against the Reorganized Debtors.

#### **6.5. *Certificate of Formation and Operating Agreements of the Reorganized Debtors***

As of the Effective Date, the certificates of formation of the Reorganized Debtors shall be the respective certificates that existed for each Debtor on the Petition Date. The limited liability company agreements of O&G and Performance will be adopted substantially in the forms to be contained in the Plan Supplement. The certificates of formation and limited liability company agreements of the Reorganized Debtors will, among other things, prohibit the issuance of nonvoting equity securities to the extent required by § 1123(a) of the Bankruptcy Code. After the Effective Date or the effective time of any applicable restructuring transaction, the Reorganized Debtors may amend and restate its respective certificate of or limited liability company agreement as permitted by applicable state law, subject to the terms and conditions of such constituent documents.

#### **6.6. *Managers and Officers of Reorganized Debtors***

Subject to any requirement of Bankruptcy Court approval pursuant to § 1129(a)(5) of the Bankruptcy Code and except as otherwise provided in this Plan, the Reorganized Debtors shall be managed by the respective manager of such entity as of the Petition Date. The initial officers of the Reorganized Debtors will consist of the officers of the Debtors immediately prior to the Effective Date. Each such manager and officer will serve from and after the Effective Date until his or her successor is duly elected or appointed and qualified or until the earlier of his or her death, resignation or removal in accordance with the terms of the certificate and operating agreement of the Reorganized Debtors and state law.

#### **6.7. *Financial Restructuring***

On, as of or at the appropriate time after the Effective Date, the Debtors will perform or cause to occur the following financial restructuring actions and transactions.

**6.7.1.** The Reorganized Debtors will enter into and execute loan and security agreements with WSB as may be necessary or appropriate to document the terms for repayment of the Class 1 Allowed Secured Claim of WSB and the granting of security interests in the WSB Collateral, in a form reasonably acceptable to the Debtors and WSB. The Liens granted as collateral security for the Class 1 Claim shall constitute valid, binding and enforceable first priority Liens on the WSB Collateral.

**6.7.2.** Within sixty (60) days after the order of the Bankruptcy Court resolving the Lien Adversary becomes a Final Order, the Reorganized Debtors will issue and deliver the 2011 Subordinate Debentures described under Section 5.5 of this Plan. If any portion of the Class 2 Senior Debentures Secured Claims becomes Allowed Claims, the Reorganized Debtors will execute and deliver to the New

Trustee the New Indenture, the 2011 Senior Debentures and such additional documents and security agreements as may be necessary or appropriate to document the terms for repayment of the Class 2 Senior Debentures Secured Claim and the granting of security interests in the Senior Debentures Collateral, all in a form substantially similar to those executed in connection with the 2009 Indenture, except as modified by the terms of this Plan. The Liens granted as collateral security for Class 2 Claims, if any, shall constitute valid, binding and enforceable first priority Liens on the applicable Senior Debentures Collateral.

6.7.3. The Plan constitutes a new contract between the Reorganized Debtors and all Holders of Claims and Interests in these Cases. Pursuant to § 1123(a)(5) and except for the Executory Contracts and Leases assumed by the Plan and loan and security agreements between the Debtors and Holders of Allowed Class 3 Claims, the Plan shall supersede any and all existing contracts, notes, mortgages, security agreements, decrees, judgments and other memorialization of any financial obligation existing between the Reorganized Debtors and the parties in interest in the Cases. Except as otherwise provided in this Article 6 with respect to the treatment of Secured Claims under the Plan, it shall not be necessary to execute any additional documentation, nor shall it be necessary to file any additional instruments, to perfect the obligations created by the Plan. The terms of this Plan shall be deemed incorporated into any documents, agreements or instruments that are executed and/or delivered pursuant to this Plan.

#### 6.8. *Cancellation of Indentures and Debt Securities*

6.8.1. Except for the purpose of evidencing a right to distribution under this Plan, and except as otherwise set forth herein, on the Effective Date the 2009 Indenture, and the 2009 Debentures, and any other obligations in respect thereof, and any other debt securities or other instruments or documents evidencing or creating any indebtedness or obligations of the Debtors, including but not limited to the Unsecured Claims and Other Secured Claims, shall be deemed automatically canceled and terminated, as permitted by § 1123(a)(5)(F) of the Bankruptcy Code. The Holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided pursuant to the Plan. As of the Record Date to be established by the Bankruptcy Court in the order approving the Disclosure Statement, the transfer registers or ledgers maintained by First Security and/or the Depository Trust Company (“DTC”) for the 2009 Debentures shall be closed, and there shall be no further changes in the record Holders of any 2009 Debentures.

6.8.2. As a condition to participation under this Plan, the Holder of any Claim evidenced by a note, debenture or other evidence of indebtedness or equity interest in either of the Debtors that desires to receive any distributions or payment on account of an Allowed Claim or Interest based on such note, debenture or other evidence of indebtedness or equity interest shall surrender such note, debenture or other evidence of indebtedness or equity interest to the respective Debtors, or their designee (unless such Holder’s Claim will be reinstated by this Plan, in which case such surrender shall not be required), and shall execute and deliver such other documents as are necessary to effectuate this Plan; *provided, however,* that if a claimant is a holder of a note, debenture or other evidence of indebtedness for which no physical certificate was issued to the but which instead is held in book-entry form by the DTC or custodian thereof in the name of Cede and Co., then the Debtors may waive the requirement of surrender provided that satisfactory evidence of ownership (determined in Debtors’ sole discretion) is supplied to the Debtors or their designee. With respect to any 2009 Debentures held by or in the name of DTC, DTC shall surrender such Debentures to First Security for cancellation, and First Security shall surrender the same to the Debtors or certify in writing that such Debentures have been cancelled.

6.8.3. Except as otherwise provided in this section, if no surrender of a note, debenture or other evidence of indebtedness or equity interest occurs and a Holder of a Claim does not provide an affidavit and indemnification agreement, in form and substance satisfactory to the Debtors, that such note, debenture or other evidence of indebtedness or equity interest was lost, then no distribution may be made to any Holder of a Claim or Interest that is based on such note, debenture or other evidence of indebtedness or equity interest thereof. The Debtors shall make subsequent distributions only to those who surrender the securities for exchange (or their assignees) and the record holders of such securities shall be those Holders of record as of the Record Date.

#### 6.9. *DGFI Transaction*

On the Effective Date, Performance will enter into a purchase agreement and close a transaction with David Grumpy Farmer, Inc. providing for the purchase and sale of the trucks, trailers and equipment presently owned by DGFI and leased to Performance and which will be specifically identified in the Plan Supplement (collectively, the “Trucks”). Performance will assume the outstanding loans on the Trucks (\$142,391.64 as of May 31, 2011) and set off a Company deposit of \$75,000 as the purchase price for the Trucks. As of May 31, 2011, the Trucks had a “blue book” average trade-in value of approximately \$379,413.37.

### **ARTICLE 7. Plan Implementation and Execution**

#### 7.1. *Continuation of Operations*

The Reorganized Debtors will on and after the Effective Date continue to operate their businesses and use, acquire, or dispose of property, as they deem necessary or appropriate in the exercise of their business judgment, free and clear of any restrictions except as otherwise provided under and in all respects consistent with this Plan and the Confirmation Order. Management and control of the Reorganized Debtors shall be vested in their managers and officers, in accordance with their respective certificates of formation and operating agreements and as set forth in Section 6.6 hereof.

#### 7.2. *Establishment of Interest Reserve Account and Debt Service Account*

On Effective Date, the Debtors will establish both the Interest Reserve Account and the Debt Service Account. The amount held in the “Debt Reserve Escrow” created and existing pursuant to the Debentures Cash Collateral Order as well as all Free Cash remaining after making all payments to be made under this Plan on the Effective Date will be deposited first into the Interest Reserve Account then into the Debt Service Account from which payments to Holders of Allowed Claims in, if and as applicable, Classes 1, 2 and 5 will be made by the Reorganized Debtors after the Effective Date. From and after the Effective Date, all Free Cash will be deposited into these accounts on a monthly basis as provided herein. The Reorganized Debtors shall allocate Cash from and after the Effective Date pursuant to the following procedures:

a. The Reorganized Debtors shall first allocate and use Cash from operations to fund the Budget and the payment of Allowed Class 3 and Class 4 Claims.

b. The Reorganized Debtors shall then allocate all Free Cash for deposit into the Interest Reserve Account in an amount sufficient to pay all interest payments due to Holders of Secured Claims under this Plan for the immediate upcoming period.

c. After the Interest Reserve Account is fully funded for the applicable period, all remaining Free Cash shall be deposited, on a monthly basis, into the Debt Service Account.

d. The funds in the Debt Service Account shall be allocated twenty percent (20%) to WSB (the “**WSB Funds**”) and eighty percent (80%) to the Holders of Allowed Claims in Classes 2 and 5 (the “**Debenture Funds**”), as applicable, pursuant to the terms of this Plan.

e. WSB will receive quarterly interest payments on its Class 1 Claim from the Interest Reserve Account and will receive quarterly accelerated principal reduction payments in an amount representing WSB Funds for the applicable period.

f. The Holders of Allowed Claims in Classes 2 and 5 shall receive interest and principal payments as provided for in Section 7.3 or 7.4 of this Plan, as applicable; provided, however, that until the Lien Adversary is resolved, no payment or distribution to the Holders of Claims in Class 2 or Class 5 will be made.

*7.3. Administration of Debenture Funds if Senior Debentures Determined to Hold Secured Claims*

If the Class 2 Senior Debentures Secured Claims are Allowed, then such Claims shall receive the treatment set forth in Section 5.2 of this Plan, and the following procedures shall apply:

a. The Holders of 2011 Senior Debentures will receive quarterly interest payments on their Class 2 Claims from the Interest Reserve Account;

b. The 2011 Senior Debentures will be eligible to receive accelerated principal reduction from the Debenture Funds in the Debt Service Account pursuant to the terms of the Debenture Retirement Program; and

c. The Holders of Allowed Class 5 Claims will receive the 2011 Subordinate Debentures and the treatment set forth in Section 5.5.a of this Plan, and after the obligations owed by the Reorganized Debtors to WSB have been satisfied in full, the WSB Funds previously allocated to payment of WSB’s Class 1 Claim shall be deemed Debenture Funds and allocated to payment of the 2011 Subordinate Debentures pursuant to the terms hereof. Likewise, after all 2011 Senior Debentures have been satisfied in full, then all Debenture Funds shall be used to retire the 2011 Subordinate Debentures on the terms set forth and described in this Plan.

*7.4. Administration of Funds if Senior Debentures Determined to Hold Unsecured Claims*

If the Class 2 Senior Debentures Secured Claims are Disallowed, and the Holders of Senior Debentures therefore hold Allowed Class 5 Unsecured Debenture Claims, then such Claims shall receive the treatment set forth in Section 5.5.b of this Plan, and the following procedures shall apply:

a. The Holders of the 2011 Subordinate Debentures will receive quarterly payments from the Debenture Funds on the terms described in the Debenture Retirement Program.

b. After the obligations owed by the Reorganized Debtors to WSB have been satisfied, the WSB Funds previously allocated to payment of WSB’s Class 1 Claim shall be deemed Debenture Funds and allocated to payment of the 2011 Subordinate Debentures.

**7.5. *Distributions to Holders of Debentures***

Distributions to Holders of 2011 Debentures made hereunder shall be made, as determined by the Debtors in their sole discretion, to the Holder at the address of such Holder as set forth in its response to a properly completed letter of transmittal or otherwise obtained by the Debtors through alternate means satisfactory to the Debtors. Consistent with Section 6.8 of the Plan, no Holder of 2011 Debentures shall be entitled to receive a distribution under the Plan unless and until the Debtors (or their designee) shall have received from or on behalf of such Holder either (a) such Holder's surrendered 2009 Debenture or (b) other satisfactory documentary evidence of ownership.

**7.6. *Distributions Generally***

Allowed Claims that are entitled to receive distributions of Cash under the Plan and that are not otherwise specifically provided to be paid from either the Interest Reserve Account or the Debt Service Account shall be paid by the Reorganized Debtors from Cash on hand and accumulated after the Effective Date from continued business operations.

**7.6.1. Timing.** All distributions or transfers to be made by the Debtors shall be made on or as soon as practicable after the dates called for under the Plan. Distributions to Holders of Claims that are Disputed or that are not Allowed on the Effective Date shall be made at such time as such Claims are no longer Disputed or they become Allowed Claims, except as provided below.

**7.6.2. Undeliverable Distributions.** If any distribution or notice provided to the Holder of a Claim or Interest in connection with the Plan is returned to the Debtors (or their designee) as undeliverable or otherwise is unclaimed, the Debtors will make no further distribution to the Holder unless and until the Debtors are notified in writing of such Holder's proper address. If and when the Debtors determine that a previously undeliverable distribution becomes deliverable and claimed, the Debtors will make such distribution as soon as practicable and without interest thereon. Any Holder that fails to assert a Claim hereunder for an undeliverable or unclaimed distribution within one (1) year after the Effective Date shall be deemed to have forfeited its Claim for such undeliverable or unclaimed distribution and shall be forever barred and enjoined from asserting such Claim against the Debtors, these estates, the Reorganized Debtors or their property. After the first anniversary of the Effective Date, all property or interests in property not distributed pursuant to this Section 7.6.2 shall be deemed unclaimed property pursuant to § 347(b) of the Bankruptcy Code, and any Claim of any Holder in or to such property shall be discharged and forever barred. Nothing herein shall require or be construed to require the Debtors or their designee to locate any Holder of any Allowed Claim.

**7.6.3. Nominal Distributions.** If the amount of any distribution to the Holder of an Allowed Claim other than the final distribution is less than \$100.00, the Reorganized Debtors may elect to defer distribution of such amount until a subsequent distribution of \$100.00 or greater is made.

**7.6.4. Distributions Pending Allowance.** Except as otherwise specifically provided herein, if any Claim or any portion of a Claim is Disputed, no payment or distribution provided in the Plan shall be made on account of such Claim unless and until the Disputed Claim is resolved and becomes Allowed. Thus, until final resolution of the Lien Adversary, no distributions shall be made to either the Holders of Class 2 Claims or Class 5 Claims.

**7.7. *Administration of Claims; Objection to Claims***

The Reorganized Debtors shall file objections to any Claims, or continue to prosecute any objections filed prior to and remaining unresolved on the Effective Date, asserted against the Debtors'

estates and deemed by the Reorganized Debtors to be improper, inaccurate or otherwise not qualified to be fully Allowed. The Reorganized Debtors shall have the power, without notice to or approval of the Bankruptcy Court, and in the exercise of its best business judgment, to preserve, abandon, settle, compromise or litigate any Claim filed or otherwise asserted herein.

7.8. *Causes of Action*

7.8.1. Preservation of Causes of Action. The Reorganized Debtors shall retain all Causes of Action, whether known or unknown, including all “bankruptcy causes of action” arising under or pursuant to Chapter 5 of the Code. No doctrine of preclusion, waiver, estoppel, laches or similar defense shall apply to any Cause of Action preserved hereby (whether or not specifically identified heretofore, known or unknown or that may arise or exist by reason of additional facts or circumstances not yet known by the Debtors or that may change from those now believed to exist) based on the Disclosure Statement, the Plan or the Confirmation Order, unless such Cause of Action was expressly released pursuant to the Plan or prior order of the Court.

7.8.2. Prosecution and Settlement of Claims and Causes of Action. The Reorganized Debtors may, if so determined in the exercise of their discretion and sound business judgment, (a) commence or continue in any appropriate court or tribunal any suit or other proceeding for the enforcement of any Cause of Action which the Debtors had or had power to assert immediately prior to the Confirmation Date, and (b) without notice to or approval of the Bankruptcy Court, and in the exercise of sound business judgment, settle, compromise or terminate prosecution of such Cause of Action.

7.8.3. Compromise and Settlement of Potential Claims Against Octane. To the extent any claims exist against Octane, this Plan shall constitute a motion under Bankruptcy Rule 9019 to resolve and compromise all such claims, and the defenses thereto, on the following terms as agreed upon between and among Octane Funding, LLC and Octane Funding II, LLC and the Debtors. Octane Funding, LLC and Octane Funding II, LLC shall hold Allowed Unsecured Claims. Octane Funding, LLC and Octane Funding II, LLC agree to waive and forego payment of Cash on account of its Allowed Unsecured Claim and for the Allowed amount of their Claims to be deemed a capital contribution to Reorganized O&G. Both Octane parties agree and stipulate to waiver and release of any asserted Secured Claim against the Debtors. The Debtors agree to waive and release any claims or Causes of Action that may exist against Octane Funding, LLC or Octane Funding II, LLC. Both Octane parties agree to the treatment of their Allowed Claims provided to them as Holders of Allowed Class 6 Claims.

**ARTICLE 8.**  
**Procedure for Resolving Disputed Claims**

8.1. *Objection Deadline.* On or before the date that is ninety (90) days after the Effective Date, unless otherwise extended or authorized by the Bankruptcy Court, objections to Claims shall be filed with the Bankruptcy Court and served upon the Holders of each Claim to which objection is made.

8.2. *Determination by Bankruptcy Court.* The amount of any Disputed Claim, and the rights, if any, of the Holder of such Claim to payment, shall be determined by the Bankruptcy Court, unless it otherwise becomes an Allowed Claim prior to such determination.

8.3. *Treatment of Disputed Claims.* Cash shall be distributed to a Holder of any type of Disputed Claim when, and only to the extent that, such Disputed Claim becomes an Allowed Claim pursuant to a Final Order or agreed resolution between the Reorganized Debtors and the Holder of said Claim, except that Holders of Secured Claims may receive Cash collateral and adequate protection

payments. Such distribution shall be made in accordance with the Plan to the Holder of such Claim based upon the amount in which such Disputed Claim becomes an Allowed Claim.

8.4. *Civil Claim and Claims Subject of Pending Causes of Action are Disputed.* All Claims that are subject of pending or threatened litigation shall be Disputed unless and until they become Allowed. Following the Effective Date, the automatic stay shall be lifted with respect to the prosecution of any Claim which may then be adjudicated in any appropriate court having jurisdiction over the Claim. Only after the Claim has been liquidated shall the same become an Allowed General Unsecured Claim in Class 4. Nothing in this Plan or this Section 8.4 shall be deemed a waiver of any defenses, counterclaims or cross-claims to or relating to such Claim or the Debtors' rights under 28 U.S.C. §§ 157(b) or 1452.

8.5. *Disallowed Claims.* All Holders of Claims against whom either of the Debtors has, or has asserted, a Cause of Action that arises under Chapter 5 of the Bankruptcy Code shall be deemed disallowed pursuant to § 502(d) of the Bankruptcy Code, and Holders of such Claims may not vote to accept or reject the Plan, until the Cause of Action against them has been settled or a Final Order entered and all sums due the Debtors on account thereof have been received by the Debtors.

8.6. *Estimation of Claims.* The Debtors, prior to the Effective Date, and the Reorganized Debtors, after the Effective Date, may for any purpose, including for purposes of making distributions hereunder, request that the Bankruptcy Court estimate any contingent or Disputed Claim pursuant to § 502(c) of the Bankruptcy Code without regard to whether such Claim has been subject to a previous objection or whether such objection has been ruled upon or is subject to continued proceedings, including appeal.

## **ARTICLE 9. Executory Contracts and Leases**

9.1. *Assumption.* On the Effective Date and unless otherwise specifically provided herein, all Executory Contracts and Leases described in each of the Debtors' Schedule G filed in these Cases shall be assumed by the applicable Debtor, at which time and as to which each Debtor shall, except as to defaults described in § 365(b)(2) of the Bankruptcy Code, (i) cure, or provide adequate assurance that they will promptly cure, any existing default in the Executory Contract or Lease, (ii) compensate, or provide adequate assurance that they will promptly compensate, another party to the Executory Contract or Lease for any actual pecuniary loss to such other party resulting from such default, and (iii) provide adequate assurance of future performance by the applicable Debtor under such Executory Contract or Lease.

9.2. *Prior Action.* All Executory Contracts and Leases previously assumed during the pendency of the Cases shall continue in effect on and after the Effective Date. The Debtors reserve the right to amend or supplement Schedule G or to rescind its election to assume any Executory Contract or Lease.

9.3. *Rejection.* Except for those Executory Contracts and Leases previously assumed or rejected during the pendency of these Cases, all Executory Contracts and Leases listed on Schedule 9.2.1 shall be rejected. Subject to the occurrence of the Effective Date, the rejection of any Executory Contract or Lease pursuant to this Article shall be effective upon the earliest of (i) the date that the Debtors provide notice to the counter-party of the effectiveness of such rejection and (ii) the date specified as the effective date of rejection in any order of the Court.

9.3.1. Approval of Rejection. Entry of the Confirmation Order shall constitute the approval, pursuant to §§ 365(a) and 1123(b)(2) of the Bankruptcy Code, of the rejection of the Executory Contracts and Leases rejected pursuant to Section 9.2 hereof.

9.3.2. Bar Date for Asserting Rejection Claims. Rejection Claims arising out of the rejection of an Executory Contract or Lease pursuant to Section 9.2 of this Plan must be filed with the Court within thirty (30) days after the Effective Date. The Confirmation Order shall provide that notice of the Effective Date be provided to all counter-parties to any rejected Executory Contract or Lease. Any Rejection Claim arising from rejection of a previously rejected Executory Contract or Lease during the pendency of the Cases shall have been filed by the date set by the Court in the order approving such rejection. Any Rejection Claims not filed within such times are/will be forever barred from assertion against any applicable Debtor, its estate, and its property. If any Rejection Claim becomes an Allowed Claim, it shall be treated as a General Unsecured Claim under Class 4.

## **ARTICLE 10. Cramdown and Plan Modification**

10.1. *Confirmation by "Cramdown".* If any Impaired Class does not vote to accept the Plan as provided in § 1126 of the Bankruptcy Code, the Debtors request confirmation of the Plan pursuant to § 1129(b) of the Code with respect to any Impaired Class. The Debtors also reserve the right to amend the Plan pursuant to this Article 10.

*Counsel to Debtors O&G Leasing, LLC, et al.*

Exhibit "A"

Debenture Retirement Program

Notwithstanding anything in the Plan to the contrary, the Holders of New Debentures will be given the opportunity to present their New Debentures for early and priority redemption and retirement at the end of each fiscal quarter following the resolution of the Lien Adversary, provided the Debenture Funds in the Debt Reserve Account exceed \$100,000 at the end of such quarter, pursuant to the terms of this Debenture Retirement Program. The Reorganized Debtors shall be entitled to use the Debenture Funds in the Debt Reserve Account as specified in this program. If it is determined that the Class 2 Secured Claims are Allowed and the 2011 Senior Debentures are issued to the Holders thereof, no Holders of 2011 Subordinate Debentures shall be eligible to participate in this program until such time that all 2011 Senior Debentures are retired, except with respect to any WSB Funds available for distribution to the Holders of 2011 Subordinate Debentures pursuant to Section 7.3.c after all obligations owed to WSB have been satisfied in full.

Promptly following each calendar quarter in which the New Debentures are outstanding, the Reorganized Debtors will provide notice ("DRP Notice") to all Holders of the 2011 Senior Debentures and/or 2011 Subordinate Debentures, as applicable, of the amount of Debenture Funds available for redemption and the Holders may elect to tender all or a portion of their New Debentures at such prices that they designate. The Reorganized Debtors may select, in their sole discretion, New Debentures for retirement from among those tendered so as to retire the greatest possible aggregate principal amount of New Debentures for the amount of Debenture Funds available. Once all 2011 Senior Debentures, if any, are retired, the program shall continue in the same manner and on the same terms for all Holders of 2011 Subordinate Debentures until such time that all 2011 Subordinate Debentures are retired.

If New Debentures are validly tendered (and not withdrawn) on or prior to the Expiration Date (as defined in the DRP Notice) at the same price and the aggregate face amount exceeds the amount of Debenture Funds available, then, subject to the terms and conditions of this Plan and the DRP Notice, the Reorganized Debtors will only accept for retirement New Debentures on a *pro rata* basis from among such tendered New Debentures. The Reorganized Debtors may make appropriate adjustments to avoid purchases of New Debentures in any amount other than in multiples of \$1,000.

The program will be open for at least fourteen (14) business days, subject to possible extension, each eligible quarter and will not prohibit the Reorganized Debtors from acquiring New Debentures through the open market, privately negotiated transactions, tender offers, exchange offers, defeasance, redemption or otherwise. The program may be implemented and amended, from time to time, as may be required to comply with all applicable laws, including, but not limited, to the provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated pursuant thereto.
